Jojoba oil (golden, natural) Safety Data Sheet

Issued: 3/26/2018 CG	Revision 3
SECTION 1: Identification	
1.1. Identification	
Product Name Trade Name CAS Number	Golden Natural Jojoba Oil Water Clear Refined Jojoba Oil, Organic Jojoba Oil and Golden Deodorized Jojoba Oil. 61789-91- 1
1.2. Recommended use and restrictions on use	
Recommended Use	Emollient for use as an ingredient in cosmetic and personal care applications
1.3. Supplier	
Camden-Grey Essential Oils, Inc. 5751 Halifax Ave.,Unit 2 Fort Myers, FL 33912 www.camdengrey.com	
1.4. Emergency telephone number	
Emergency number: Chemtrec -1.800.424.9300/ 1.703	.527.3887 CCN330

SECTION 2: Hazard(s) identification

This substance and/or mixture are not classified as hazardous or dangerous according to (EC) 1272/2008, 67/548/EEC or 1999/45/EC. This substance and/or mixture do not meet the criteria for PBT or vPvB.

HUMAN: Eye contact may cause irritation. Unlikely to cause skin irritation unless exposure is excessive and/or prolonged. Unlikely to cause harm, apart from a laxative effect, if swallowed.

ENVIRONMENTAL: This material is readily biodegradable and unlikely to accumulate in the aquatic environment. Discharge of large quantities into the aquatic environment may kill fish and other aquatic organisms by oxygen depletion caused by rapid biodegradation.

SECTION 3: Composition/information on ingredients

CTFA/INCI Name:	Simmondsia Chinensis (Jojoba) Seed Oil
CAS No.:	61789-91- 1 (TSCA;) / 90045-98-0 (EU)
EINCECS No.:	289-964-3

SECTION 4: First-aid measures

Inhalation:	Remove to fresh air.
Skin contact:	Remove contaminated clothes. Wash skin with soap and water.
Eye contact:	Immediately flush eyes with plenty of cool water for at least 15 minutes. Should irritation develop, seek professional medical attention.
Ingestion:	Do not induce vomiting. For excessive ingestion contact a physician.

SECTION 5: Fire-fighting measures

Suitable extinguishing media:	Use CO2, dry chemical or foam.
Special Hazards:	Material will float on water and should be treated as a grease fire.
Special protective equipment:	Fire fighters should wear self-contained breathing apparatus in the positive pressure mode with a full face piece when there is a possibility of exposure to smoke, fumes or hazardous composition products.

6.1 Personal precautions:

Wear appropriate protective clothing.

Jojoba oil (golden, natural)

Safety Data Sheet

6.2 Environmental precautions:	Contain and collect spillage.
6.3 Methods for cleaning up:	Remove sources of ignition. Clean up with absorbent materials.

SECTION 7: Handling and stor	age
Handling advice:	Jojoba Oil must be handled with the hygienic procedures established for the cosmetic industry. Prevent spills and leaks to avoid slip hazard. Provide suitable mechanical equipment for the sage handling of drums and heavy packages.
Storage conditions:	Keep containers closed until use. Once opened, do not store in partially filled containers. Do not store in heat or direct sunlight or allow to freeze. Put the drums on pallets to facilitate the movement by a fork lift or sling. Stack the pallets up to three, one placed above the others forming a vertical column.
Conditions to avoid:	Do not store or use near heat sparks or flame and sore out of sun. Never use pressure to empty. Do not puncture, drag or slice container. Avoid contact with strong oxidizers.

SECTION 8: Exposure controls/personal protection		
Technical protective measures:	None known.	
Respiratory protection:	Not normally required.	
Personal protective equipment:	Protective gloves and goggles.	
General safety and hygiene measures:	Normal handling precautions and storage consistent with good manufacturing practices should be followed.	

SECTION 9: Physical and chemical properties

Physical form: Oi	ly liquid at >10⁰ C	Specific gravity: 0.866 at 20°C
Color: Bright yello	w or clear	Melting Point: 12°C
Odor: Slightly nutt	y to none	Boiling Point: > 225°C
Solubility: Insolut	ble in water	Vapor Pressure: N/A
Flash Point: 295°	С	Vapor Density: N/A
Volatiles (%): < 0.	1	

SECTION 10: Stability and reactivity	
Stability:	Stable.
Materials to avoid:	Strong oxidizing agents, acids and alkalis.
Conditions to avoid:	Excessive heat, sources of ignition.
Hazardous decomposition products:	Thermal decomposition may produce CO, CO2 and thick smoke.

SECTION 11: Toxicological information

Primary Dermal Irritation:	Non-irritating
Primary Ocular Irritation:	Non-irritating
Acute Oral Toxicity:	Not available

SECTION 12: Ecological information	
Degradability:	This product is biodegradable.
Ecotoxicity:	None established.
Mobility:	Low
Bioaccumulation potential:	None established.
Other adverse effects:	None established.

SECTION 13: Disposal considerations

Dispose of in compliance with local laws and regulations.

Jojoba oil (golden, natural)

Safety Data Sheet

Container:

Dispose of in compliance with local laws and regulations.

SECTION 14: Transport informat	ion
General Information:	This product is not bound to hazardous materials transport regulations. Not classified according to ADR/RID (Land-Road), ADNR (inland waterways), IMDG (sea) or IATA / ICAO (air)
UN Number:	Not allocated.
Proper Shipping Name:	Not regulated.
Special precautions:	None established.

SECTION 15: Regulatory information

US: This product is intended to be used as a cosmetic ingredient and is exempt from Toxic Substances Control Act (TSCA) regulation (40 CFR 710) when used as such. Do not use for other purposes.

EU: This product is not classified as "dangerous" according to the health and physical criteria of the EU Directives in the classification of substances and preparations. This substance is not classified as "dangerous" according to (EC) 1272/2008, 67/548/EEC, 1994/45/EC or REACH Regulation 1907/2006

SECTION 16: Other information

DISCLAIMER: The information in this SDS was obtained from current and reliable sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness and accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond Camden-Grey Essential Oils, Inc.'s control, it is the user's responsibility both to determine safe conditions for use of this product and to assume liability for loss, injury, damage or expense arising out of the product's improper use. No warranty, expressed or implied, regarding the product described herein shall be created by or inferred from any statement or omission in this SDS. Various government agencies (e.g. DOT, EPA, FDA) may have specific regulations concerning the transportation, handling, storage, use or disposal of this product, which may not be reflected in this SDS. The user should review these regulations to ensure full compliance.
