Most important symptoms and effects, both acute and delayed

Symptoms

No information available.

Safety Data Sheet

Indication of any immediate medical attention and special treatment needed

Note to physicians	Treat symptomatically.	
SECTION 5: Fire-fighting measures		
Suitable extinguishing media	Dry chemical, CO2 or water spray.	
Specific hazards arising from the chemical	No information available.	
Explosion data Sensitivity to Mechanical Impact Sensitivity to Static Discharge	None. None.	

### Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

SECTION 6: Accidental release measure	S		
6.1. Personal precautions, protective equipm	ent and emergency procedures		
Ensure adequate ventilation, especially in confined areas.			
6.2. Environmental precautions			
See Section 12 for additional Ecological Informatio	n.		
6.3. Methods and material for containment a	nd cleaning up		
Methods for containment Methods for cleaning up	Steps to be Taken in Case Material is Released or Spilled: Dike and contain the spill with inert material (ie: sand, earth,sawdust) and transfer liquid and solid diking material to separate containers for recovery or disposal. Wash floor area with hotwater solution. Remove contaminated clothing and wash before reuse. Wash affected skin areas with soap and water. Keepspills out of all sewers and bodies of water. Pick up and transfer to properly labeled containers.		
SECTION 7: Handling and storage			
7.1. Precautions for safe handling			
Advice on safe handling	Handle in accordance with good industrial hygiene and safety practice.		
7.2. Conditions for safe storage, including an	y incompatibilities		
Storage ConditionsKeep at a temperature not exceeding 25°C.Incompatible materialsNone known based on information supplied.			
SECTION 8: Exposure controls/personal	protection		
Control parameters			
Exposure Guidelines	This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.		
Appropriate engineering controls			
Engineering Controls	Ensure adequate ventilation, especially in confined areas. Eyewash stations.		
Individual protection measures, such as personal protective equipment			
Eye/face protectionWear safety glasses with side shields (or goggles).Skin and body protectionWear protective gloves and protective clothing.Respiratory protectionNo protective equipment is needed under normal use conditions. If exposure limits exceeded or irritation is experienced, ventilation and evacuation may be required.General Hygiene ConsiderationsHandle in accordance with good industrial hygiene and safety practice.			
<b>SECTION 9: Physical and chemical prop</b> 9.1. Information on basic physical and chemi			

Physical state Appearance Solid Soft white fat

Odor

Vegetable odor

Color	No information available	Odor threshold	No information available
Drenerty	Velues		
<u>Property</u> pH	<u>Values</u> No information available	Remarks • Method	
Melting point / freezing point	42-50 °C		
Boiling point / boiling range	No information available		
Flash point	230 °C		
Evaporation rate	No information available		
Flammability (solid, gas)	No information available		
Flammability Limit in Air			
Upper flammability limit:	No information available		
Lower flammability limit:	No information available		
Vapor pressure	No information available		
Vapor density	No information available		
Relative density	0.911-0.918 @ 50°C		
Water solubility	No information available		
Solubility in other solvents	No information available		
Partition coefficient	No information available		
Autoignition temperature	No information available		
Decomposition temperature	No information available		
Kinematic viscosity	No information available		
Dynamic viscosity	No information available		
Explosive properties	No information available		
Oxidizing properties	No information available		
2. Other information			
Softening point	No information available		
Molecular weight	No information available		
VOC Content (%)	No information available		
Density	No information available		
Bulk density	No information available		
Volatility	No information available		
SECTION 10: Stability and rea	activity		
0.1. Reactivity			
No data available.			
0.2. Chemical stability			
Stable under recommended storage	conditions.		
0.3. Possibility of hazardous rea	actions		
None under normal processing.			
0.4. Conditions to avoid			
Extremes of temperature and direct	sunlight.		
0.5. Incompatible materials			
None known based on information supplied.			
0.6. Hazardous decomposition	products		
None known based on information s	upplied.		
ECTION 11: Toxicological in	formation		
1.1. Information on toxicologica			
Information on likely routes of exp			
	No data available		
Product Information			
Product Information Inhalation Eye contact	No data available. No data available.		

Skin contact No data available.

Ingestion No data available.

Safety Data Sheet

#### Information on toxicological effects

Symptoms

#### No information available.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Sensitization	No information available.
Germ cell mutagenicity	No information available.
Carcinogenicity	No information available.
Reproductive toxicity	No information available.
STOT - single exposure	No information available.
STOT - repeated exposure	No information available.
Aspiration hazard	No information available.

#### Numerical measures of toxicity - Product Information

SECT	ION 12: Ecolog	ical information			
12.1.	Ecotoxicity				
No in	formation available.				
12.2.	Persistence and	degradability			
No in	formation available.				
12.3. Bioaccumulative potential		e potential			
No in	formation available.				
12.4.	Other adverse e	ffects			
No in	formation available.				
SECT	ION 13: Dispos	al considerations			
13.1.	Waste treatment	methods			
	Disposal of wastes		Disposal should be in accordance with applicable regional, national and local laws and regulations. Do not reuse container.		
	aminated packagi	-

#### **US Federal Regulations**

#### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

Safety Data Sheet

#### SARA 311/312 Hazard Categories

Acute health hazard	No
Chronic Health Hazard	No
Fire hazard	No
Sudden release of pressure hazard	No
Reactive Hazard	No

#### **CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

#### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material. **US State Regulations** 

#### **California Proposition 65**

This product does not contain any Proposition 65 chemicals

#### **U.S. State Right-to-Know Regulations**

#### **U.S. EPA Label Information**

EPA Pesticide Registration Number		Not applicable
