

## SECTION 1: Identification

### 1.1. Identification

Product Name	Rose clay
Trade Name:	Same
Chemical Name:	Hydrous Alumina Silicate
Formula:	In Crystalline Form: $2iO_2$ , $Al_2O_3$ , $Fe_2O_3$
CAS No.:	1332.58.7

### 1.2. Recommended use and restrictions on use

Recommended Use	No information available
-----------------	--------------------------

### 1.3. Supplier

Camden-Grey Essential Oils, Inc.  
5751 Halifax Ave., Unit 2  
Fort Myers, FL 33912  
Emergency Tel. No.: Chemtrec 1-800-262-8200 // 1- 703-741-5500

### 1.4. Emergency telephone number

Emergency number: Chemtrec -1.800.424.9300/ 1.703.527.3887 CCN 797608

## SECTION 2: Hazard(s) identification

Preservatives & Solvents: None  
Other gases & liquids or solids: None  
Small amounts of free silica  
Quartz more than 0.1% CAS 14808.67

## SECTION 3: Composition/information on ingredients

### 3.1. Substance

Naturally occurring hydrated aluminum silicate.

## SECTION 4: First-aid measures

First Aid & Emergency Procedures:

Remove to clean air.

Eye:	Flush with water, if irritation persists, consult physician.
------	--

Target organ/long term effects:	Lung, diminished lung function
---------------------------------	--------------------------------

HMS acute health rating:	1
--------------------------	---

## SECTION 5: Fire-fighting measures

Flash point:	None
Extinguishing media:	Will Not Burn
HMS flammability rating:	0

## SECTION 6: Accidental release measures

Spill and leaks: Clean up and collect, minimizing excessive dust.

## SECTION 7: Handling and storage

Minimize dust generation and exposure. Do not breathe dust. Store in dry location.

## SECTION 8: Exposure controls/personal protection

Respiratory:	If dust exceeds recommended PEL, Use NIOSH approved dust respirators. If spraying coatings, use NIOSH approved dust/mist respirators.
Ventilation:	Sufficient local exhaust or other ventilation to reduce dust concentrations to less the PEL. Use adequate ventilation of spraying coatings.
Protective gloves:	Not required
Eye protection:	Tight fitting goggles if high dust
Other protection:	Not required

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

Percent volatile:	None
Solubility in water:	Slightly soluble
Vapor pressure:	Not applicable

# Rose clay

## Safety Data Sheet

Apparent density:	Approx. 40 lbs./cu ft.
Appearance:	Pale Reddish Powder
Odor:	None to mildly earthy

### SECTION 10: Stability and reactivity

Stability:	Stable
Incompatibility:	None
Hazardous polymerization:	None
HMS reactivity rating:	0

### SECTION 11: Toxicological information

Exposure Limits:

OSHA exposure limits:	Treat as nuisance dust
-----------------------	------------------------

Effects of over exposure:

Inhalation:	Coughing and general irritation on overly dusty conditions
Skin Irritation:	None
Eye Irritation:	Mechanical irritation due to dust particles

Carcinogenicity:	No reported evidence of carcinogenicity from Rose Clay. Limited evidence of carcinogenicity from minor silica Content (IARC2A).
------------------	--

### SECTION 12: Ecological information

Naturally occurring material – no known ecological hazards.

### SECTION 13: Disposal considerations

#### 13.1. Disposal methods

Spills and leaks:	Sweep with broom, recover or dispose as called for
-------------------	--

Disposal:	Any approved solid waste disposal, including burial – in accordance with all applicable Federal, State and local regulations
-----------	--

### SECTION 14: Transport information

No restrictions

### SECTION 15: Regulatory information

Chemical Safety Assessment:	Not required under REACH
REACH Status:	This substance is exempt from REACH registration.

### SECTION 16: Other information

DISCLAIMER: The information in this SDS was obtained from current and reliable sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness and accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond Camden-Grey Essential Oils, Inc.'s control, it is the user's responsibility both to determine safe conditions for use of this product and to assume liability for loss, injury, damage or expense arising out of the product's improper use. No warranty, expressed or implied, regarding the product described herein shall be created by or inferred from any statement or omission in this SDS. Various government agencies (e.g. DOT, EPA, FDA) may have specific regulations concerning the transportation, handling, storage, use or disposal of this product, which may not be reflected in this SDS. The user should review these regulations to ensure full compliance.
