Material Safety Data Sheet

Section 1 – Identification

Trade Name: Olive Oil – Extra Virgin
Name and /or Family Description: N/A
Chemical Name: N/A
Chemical Family:
Lupac Name: N/A
Lot No: N/A **Lot Name:** Olive Oil – Extra Virgin
Lot Label(s): **DOT Hazard Class:** N/A
DOT Proper Shipping Name:

Section -2 - Hazardous Ingredients

Ingredients: None

Section 3 – Physical / Chemical Data

State:	Oil	Solubility in Water:	Insoluble
Boiling Point:	N/A	Melting Point:	N/A
Evaporation Rate:	N/A	Vapor Density:	Exceeds 1.0
Specific Gravity:	(H2O=1) 0920 - .925	Vapor Pressure:	N/A

Section 4 – Fire and Explosion Hazard Data

Flash Point / Ignition Temperature: Greater than 550 °F
Flammable Limits in Air – LEL: Low **UEL:** Low

Extinguishing Media: Foam, Co2 Dry Chemical

Special Fire Fighting Procedure: As with all fires, evacuate personnel to safe area. Fire fighters should use self-contained breathing equipment and protective clothing.

Unusual Fire or Explosion Hazards: Rags and /or other materials containing this material may heat and spontaneously ignite if exposed to air. Store wiping rags and similar material in metal cans with tight fitting lids. Avoid use of water in extinguishing oil fires.

Section 5 – Reactivity Data

Stability – Unstable **Stable:** X

Conditions to avoid: This material is stable from a safety point of view.

Materials to Avoid: Fire.

Hazardous decomposition Products: Not known

Hazardous Polymerization – May Occur: **Will not occur:** X

Section 6 – Health Hazard Data

Acute Effects of Overexposure: None Established

Chronic Effects of Overexposure
Acute: None Established
Chronic: None Established

Medical Conditions Prone to Aggravation by Exposure: Oil Mist 10mg m³ total particulate.

Primary Routes of Entry
Swallowing: Yes
Eye Contact: No
Inhalation: Yes
Skin Contact: Yes

Carcinogenicity: Contains no known carcinogens.
NTP: Not Listed
IARC Monograph: Not Listed
OSHA Regulated: Not Listed

Emergency and First Aid Procedures:
Swallowing: N/A
Eye Contact: May cause irritation. Flush with copious amounts of water.
Inhalation: Excessive inhalation of oil mist may affect the respiratory system. Avoid inhalation.
Skin Contact: Sensitive individuals may experience dermatitis after long exposure of oil on skin.

Section 7 – Safe Handling and Use Information

Waste Disposal:

Dispose of waste in accordance with Federal, State, and local regulations.

Spill or Leakage Procedure:

Small spill: Add solid absorbent, shovel into disposable container and dry area thoroughly with wiping material. **Large Spill:** squeegee or pump into holding container, and repeat steps for small spill.

Storage Conditions:

Store away from flame and fire, and excessive heat. Store at room temperature and only in containers that are approved by certified firms.

Section 8 – Control Measures

Protective Equipment:

Respiratory Protection: Not normally needed.

Eye Protection: Not normally needed.

Skin Protection: Not normally needed.

Ventilation: Intermittent clean air exchanges recommended, but not required.

Hygienic Practices: Gloves and protective outer clothing as normal.
